## Intermediate sizes and discounts

Sizes that do not correspond to the up listed sizes are calculated according to the next size up.

A quantity discount can be granted starting from a order volume of 10 pieces. Students are granted a 15% discount.

## Alternative materials/thicknesses

Alternative materials or thicknesses can be requested and processed upon request.

## Disclaimer

Temperature and humidity can alter the materials and influence their processing. We do not accept any liability for materials that are provided by the client (prints, photo exposures, plates, etc.).

Prices in Euro plus VAT
